

## **MEDICAL REQUIREMENTS FOR INCOMING KINDERGARTEN STUDENTS**

**PLEASE NOTE: NO CHILD WILL BE ADMITTED TO SCHOOL WITHOUT A COMPLETED HEALTH FORM AND PROOF OF IMMUNIZATIONS.**

A recent physical exam, completed within the last 12 months is required. The physical exam must include documentation of the following:

1. All required immunizations per the state of MA standards. See MA Department of Public Health's website for what is required.  
<https://www.mass.gov/info-details/school-immunizations>
2. Documentation of the most recent lead screening- must include date of test and results
3. Documentation of a vision screening
4. Documentation of a TB risk assessment. Must include the results of the assessment- either low risk or follow up testing and test results as determined by your physician.

If your child will not be having their 5 year old physical exam until after kindergarten screening, please bring a copy of their 4 year old physical exam.
