Dear Incoming Kindergarten Families,

Based upon local census data, we believe you have a child who will be 5 years old on or before September 1, 2020 and is therefore eligible to enter our kindergarten program in the fall of 2020. We are excited to meet your child and provide him or her with an exceptional educational experience.

We are pleased to announce an important change for the Westborough Public Schools. Beginning with the 2020-2021 School Year, the School Committee has voted to provide tuition-free kindergarten. This is a meaningful milestone to have Westborough commit to providing full day kindergarten for all of our students. The school district wants to acknowledge and thank the Westborough community for the financial support needed to make this change a reality for our families.

Kindergarten Screening will be taking place in July, with appropriate care taken to ensure compliance with all recommended safety protocols. An invitation with further details will be sent to you from your child's school.

To register your child for kindergarten, please read the guidelines below. After reading the guidelines, please go to our registration website located at: www.westboroughk12.org and click "For Families", then select "Registration – Kindergarten Registration", and follow the steps listed there. If you do not have internet access, please call Donna Latraverse (508-836-7700 ext. 2024) for assistance.

If you need before and after-school care, we encourage you to contact the Westborough Community Education Program (WCEP). You may learn more about the Extended Day Program by calling 508-836-7765 or by accessing the WCEP website at www.westboroughk12.org (at the top of the page click District Departments; then Community Education Program).

If you have any questions regarding the registration process or our kindergarten program, please contact your child's school at the numbers listed below or my assistant, Donna Latraverse (508-836-7700 ext. 2024 or latraversed@westboroughk12.org).

Sincerely,

Daniel Mayer
