

Dear Parents and Guardians,

Please have your child at their bus stop 10 minutes early in the morning for the first week of school until a routine has been established. Once it has been established please be at your bus stop 5 minutes before your scheduled stop each day until the remainder of the school year.

Due to the large volume of calls that our office receives each day, all requests for bus stop concerns, changes or additions should be emailed to the transportation coordinator Cindy Crowley at crowleyc@westboroughk12.org

Every effort will be made to address these requests. We will get back to you as soon as we can. (usually within 24 hrs.) Please use the established bus stop while your request is under review. Only under the direction of Westborough Public Schools Administration will bus routes be revised.

Thank you for your understanding and cooperation at this very busy time.
